CYKLAR / BODY CARE

A little more ritual. A lot more to discover.

Explore body care through product purpose, scent and the small details that make a routine your own.

EXPLORE THE EDIT

Illustrative concept. Ecommerce in development. No CYKLAR partnership or authorization implied.

Different formats. Clear choices.

Product identity first. Useful context alongside it.

VANILLA VERVE

Sensorial Body Wash

490 mL

A rinse-off body wash for the cleansing step.

VANILLA VERVE

In-Shower Body Oil Balm

150 mL

A moisturizing balm used on wet skin after cleansing.

VANILLA VERVE

Vitamin C Body Oil

124 mL

A body oil applied to slightly damp skin after a bath or shower.

Illustrative concept. Ecommerce in development. No CYKLAR partnership or authorization implied.

A scent is a story, too.

Help customers discover a point of connection, not just another product.

01 / VANILLA VERVE

Spice, then sweetness.

Green cardamom and bergamot lead into vanilla, with amber and musk in the base.

02 / CHOOSE BY MOMENT

In the shower. Or after.

The oil balm is used on wet skin after cleansing. The body oil is applied to slightly damp skin after bathing.

From brand world to useful discovery.

This demonstration shows how a dedicated brand experience could connect an introduction, accurate product information and educational storytelling on AFOUR’s planned ecommerce platform.

01 / PRESENT

A distinctive brand opening

An uncluttered introduction and clean imagery create a recognizable brand world.

02 / EXPLAIN

The product has a clear role

Names, formats and sizes match the products shown. No invented prices, stock or verification badges.

03 / CONNECT

A reason to keep exploring

Scent stories provide a route through the collection without unsupported performance claims.

Review status

Private design concept, not a live store or confirmed assortment. Product names, sizes and short descriptions checked against CYKLAR’s official pages on 27 October 2026. Supplied imagery is retained for owner review; usage permission and current pack matching must be cleared before external release.
